This meticulously upgraded home showcases beautiful custom features. The open-concept kitchen, equipped with chef-grade double ovens and a gas cooktop, flows seamlessly into the great room, where vaulted ceilings and a floor-to-ceiling fireplace create a grand atmosphere. Beautiful moldings and picture windows enhance the feel of the home. A built-in desk and cabinetry in the den offer an organized workspace. The spacious primary suite is on the main level for added convenience. Upstairs, three additional bedrooms, a loft and a bonus room with a wet bar offer flexible living spaces. Outside, a covered patio with a fireplace extend the living area for enjoyable outdoor gatherings.
