

Flexible Living in West Linn

2740 Lancaster St., West Linn

Property Features

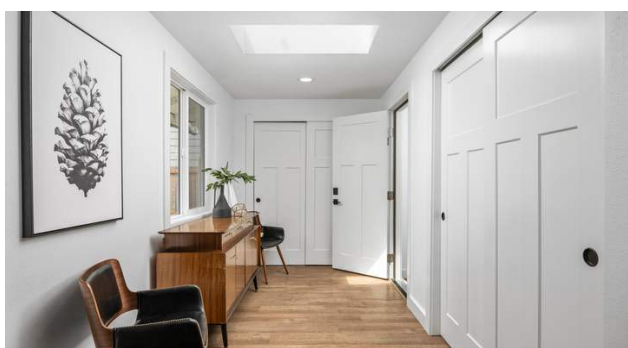

4 Bedrooms

3 Bathrooms

1,676 Sq Ft

This fully remodeled home offers a flexible layout and easy everyday flow. The main level has been thoughtfully redesigned to create an open connection between the living area and kitchen, a natural gathering space. The remodel extends throughout the home, with updated bathrooms and a refreshed second living area that adds valuable flexibility. Recent improvements include the addition of air conditioning and a newer water heater. Outside, an extended back deck provides space for gatherings, play, or quiet evenings, along with a 200 square foot shed for storage or projects. With its updated interior, adaptable layout, and convenient location, this home offers a balance of function and flexibility in one of West Linn's most connected areas.
