

# Elevated One Level Living

**4906 SE Winworth Ct., Milwaukie**

## Property Features

3 Bedrooms

2 Bathrooms

2 Car Garage

1662 Sq Ft

This thoughtfully updated one level home reflects consistent care and quality improvements throughout. A metal roof installed in recent years adds long term durability, and both the home and yard have been meticulously maintained. The front living room features a glass door that closes, making it well suited for a home office or separate sitting area. The spacious kitchen and dining area offer excellent flow, and a distinctive circular window in the dining room adds architectural character and natural light. Both bathrooms have been updated, including a fully remodeled primary bathroom with heated marble floors. The kitchen and baths feel elevated and thoughtfully completed. With its generous room sizes, functional layout, and meaningful updates, this property offers the ease of one level living without compromising on space or quality.

## More to Love

- Single level living with a spacious, well designed floor plan.
- Large living and family rooms offering flexible use.
- Updated bathrooms have quality finishes, from faucets to flooring.
- Beautifully landscaped yard with custom hardscape and garden.
- Located on a quiet, centrally positioned street near local schools and neighborhood amenities.
