

Living With the View

5455 Regent, Oceanside

Property Features

3 Bedrooms

3 Bathrooms

2238 Sq Ft

This home offers expansive views and the sound of waves from a private setting just minutes from beach access. The open floor plan provides easy flow between living, dining, and kitchen spaces, with large windows that capture coastal views. The main level includes a large family room with an adjacent sun room, adding flexible living space filled with natural light. The upper level primary suite features a loft area with ocean views. Additional bedrooms and bathrooms offer flexibility, and a bonus room can serve as additional living space. Outdoor living includes a deck with ocean views, suitable for dining and everyday use. The 0.12 acre lot offers privacy while remaining close to local beaches and coastal amenities. Property is being sold fully furnished and includes a transferable short term rental license.
