

Classic Portland Bungalow

6056 NE Willow St., Portland

Property Features

3 Bedrooms

1.5 Bathrooms

2380 Sq Ft

This classic bungalow offers flexible living space with thoughtful updates. The main level features tall ceilings, a comfortable living room and a well sized kitchen with a newer stove, refrigerator, and updated finishes. The primary bedroom includes a generous closet and an improved bathroom with an updated tub and shower. Downstairs, the basement provides a large family room, newer flooring, and additional finished areas that allow for a possible fourth bedroom, office, or hobby space, along with a laundry area with newer washer and dryer. Outside, the backyard offers space to relax or garden, a storage shed, and a driveway with parking for two to three cars. This home blends original bungalow character with meaningful updates and versatile living areas.

More to Love

- Three bedrooms plus flexible basement space for a possible fourth bedroom or office.
- Main level living room and a large family room in the basement.
- Recent updates include interior paint, central air furnace, kitchen appliances, and basement flooring.
- Backyard with storage shed, driveway parking for two to three cars, and quick on and off access to major route.
